## / Shower Drains

Using high-precision welding equipment to ensure the drains are sturdy and leak proof. Made of superior stainless steel, the quality of drains is beyond doubt. The high hardness of stainless steel itself prolongs the service life.

## M-DLR100

Linear Drain with Flanges and 360 Outlet

### Details

Material: Stainless Steel 304 / 316

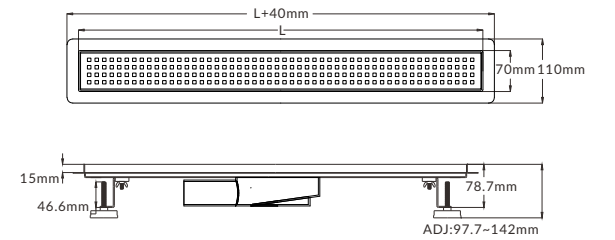

Installation: Floor

Drainage: Side

Thickness of Grid: - Pattern: 1.5mm - Tile: 1.0mm

Thickness of Base: 1.2mm

Flow Rate: 35L/min

### Accessories Included

360° Connector

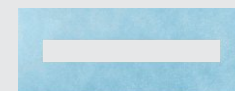

Hair Strainer

Leveling Feet

Lifting Hook

Membrane

- More grids are available in [PAGE 17](#) to [PAGE 20](#).
- More colors are available in [PAGE 35](#) to [PAGE 36](#).

#### \* Color Disclaimer:
