DIMENSIONAL DRAWINGS

M-WN1000 Series

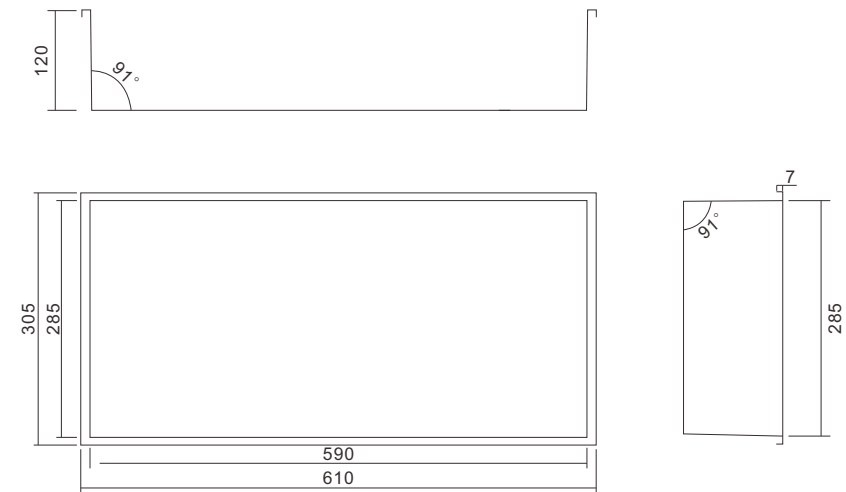

Smooth straight lines open up another world.

- This is the solemnity of a square.
- The material is corrosion-resistant.
- Brushed stainless steel increases the dynamic of the space.

Material: Stainless Steel 304
 Wall Type: Solid Wall / Dry Wall
 Installation: Recessed
 Shape: Square

Dimension
 305x305x120mm

DIMENSIONAL DRAWINGS

M-WN1001 Series

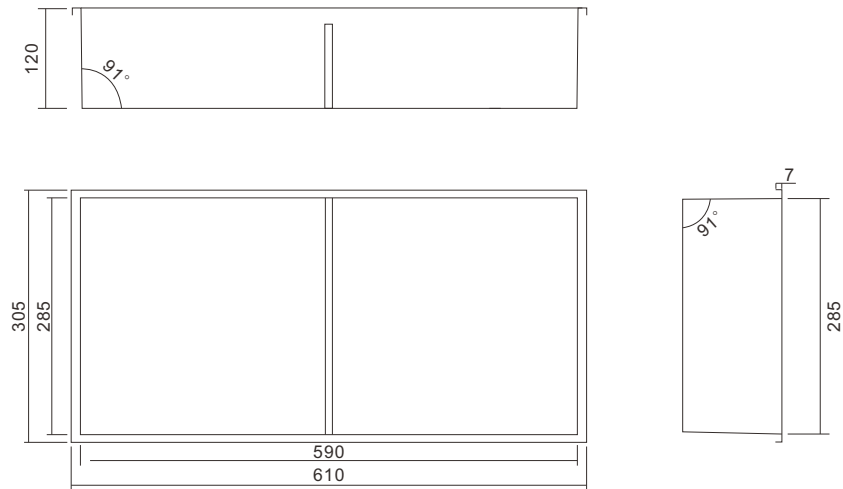

A slender motif gives enough imagination.

- The rectangular niche show rich functionality.
- Stainless steel has good toughness.
- Minimal and easy with specific decorative lines.

Material: Stainless Steel 304
 Wall Type: Solid Wall / Dry Wall
 Installation: Recessed
 Shape: Rectangular

Dimension
 610x305x120mm

DIMENSIONAL DRAWINGS

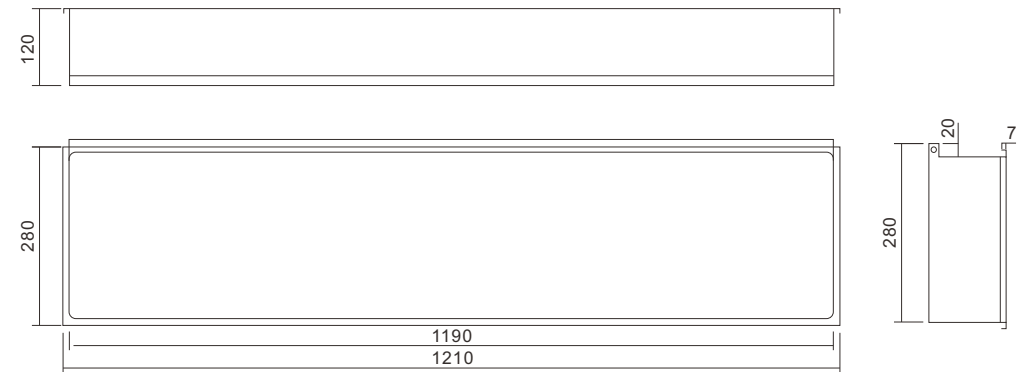

M-WN1002 Series

- Two closely adjacent shrines exude charm.
- More spatial sense after segmentation.
 - It is waterproof in the bathroom.
 - Brushed stainless steel is glossy and easy to clean.

Material: Stainless Steel 304
 Wall Type: Solid Wall / Dry Wall
 Installation: Recessed
 Shape: Rectangular

Dimension
 610x305x120mm

DIMENSIONAL DRAWINGS

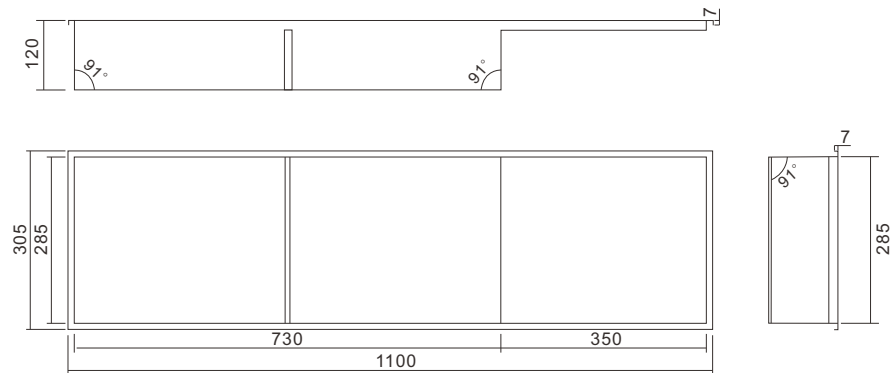

M-WN1003 Series

- The niche, finely segmented, has a more defined storage plan.
- Hybrid shapes are harmonious.
 - The material resists high temperature.
 - An exquisite surface exudes brightness and liveliness.

Material: Stainless Steel 304
 Wall Type: Solid Wall / Dry Wall
 Installation: Recessed
 Shape: Rectangular

Dimension
 1210x280x120mm

DIMENSIONAL DRAWINGS

M-WN1004 Series

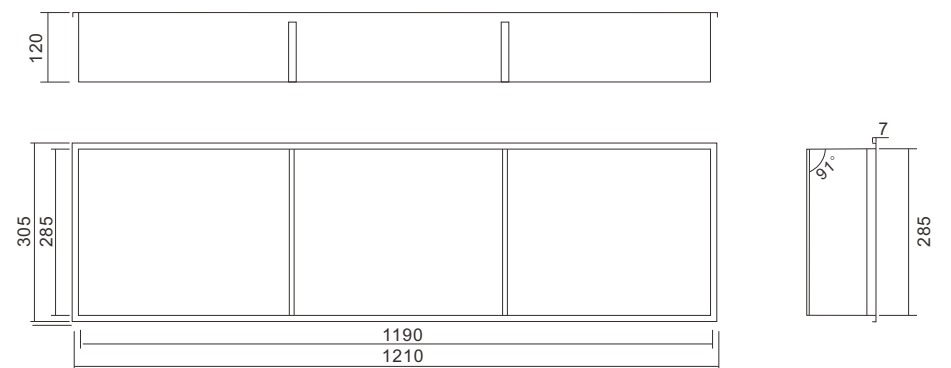

The vertical space offers infinite possibilities.

- Vertical design saves more space.
- It fits all bathroom styles.
- The material has excellent heat resistance.

Material: Stainless Steel 304
 Wall Type: Solid Wall / Dry Wall
 Installation: Recessed
 Shape: Rectangular

Dimension
 1100x305x120mm

DIMENSIONAL DRAWINGS

M-WN1005 Series

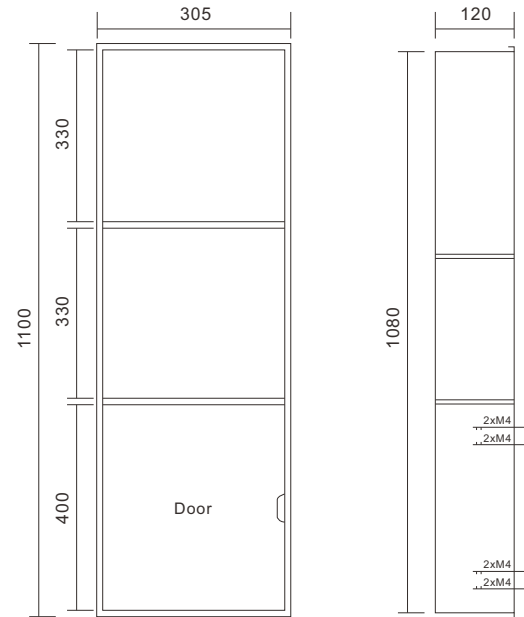

The design of the three layers combines vogue and practicality.

- He niche shows ample storage space.
- Excellent moisture resistance to ensure service life.
- Partitions help to sort objects.

Material: Stainless Steel 304
 Wall Type: Solid Wall / Dry Wall
 Installation: Recessed
 Shape: Rectangular

Dimension
 1210x305x120mm

DIMENSIONAL DRAWINGS

M-WN1006 Series

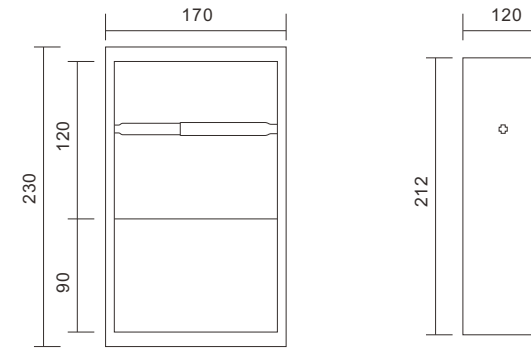

Simplicity and ordinariness are its exclusive definition.

- A three-tier design expands storage space.
- SS304 material is corrosion resistant.
- There is the same size of each segment, harmonious and orderly.

Material: Stainless Steel 304
 Wall Type: Solid Wall / Dry Wall
 Installation: Recessed
 Shape: Rectangular

Dimension
 305x1100x120mm

DIMENSIONAL DRAWINGS

M-WN1007 Series

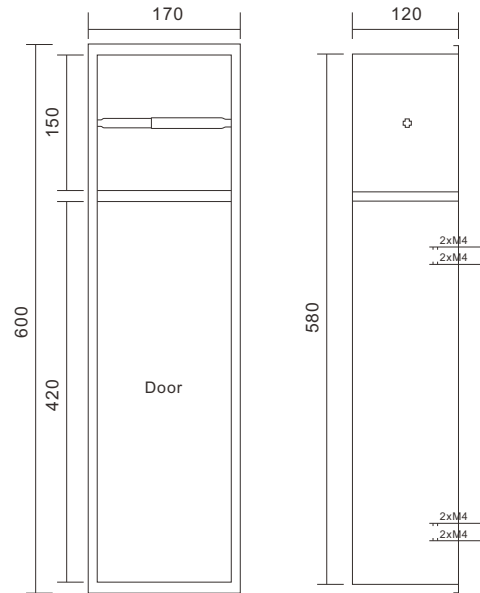

Elegance and frugidity coexist here.

- The material has excellent corrosion resistance.
- The color exterior design is ingenious.
- The upper toilet paper holder is designed for convenience.

Material: Stainless Steel 304
 Wall Type: Solid Wall / Dry Wall
 Installation: Recessed
 Shape: Rectangular

Dimension
 170x230x120mm

DIMENSIONAL DRAWINGS

M-WN1008 Series

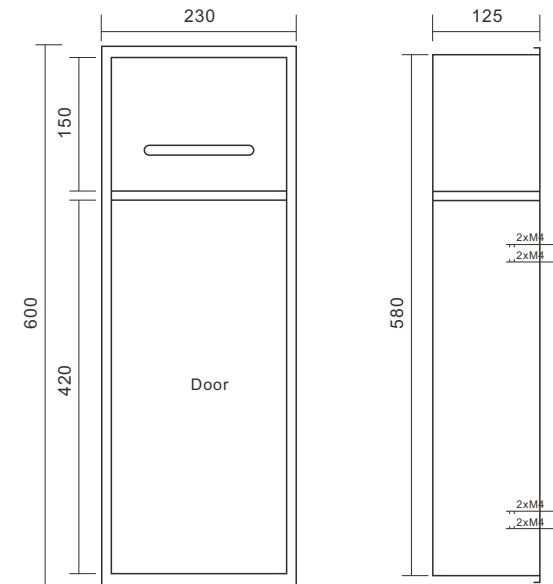

The ordinary niche has extraordinary functionality.

- Larger storage space is for enough convenience.
- Toilet paper holder designed for versatility.
- SS304 has the effect of oxidation resistance.

Material: Stainless Steel 304
 Wall Type: Solid Wall / Dry Wall
 Installation: Recessed
 Shape: Rectangular

Dimension
 170x600x120mm

DIMENSIONAL DRAWINGS

M-WN1009 Series

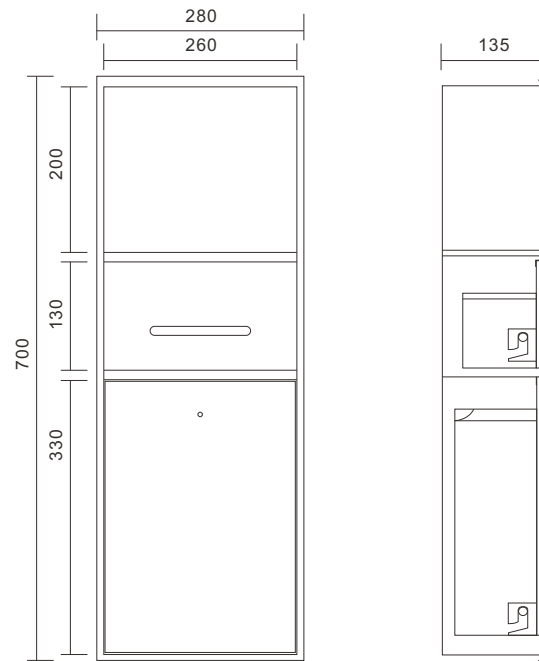

The airtight design ideally guarantees the privacy of owners.

- The unique design pays tribute to the future.
- It shows ample storage ability.
- SS304 has superior corrosion resistance.

Material: Stainless Steel 304
 Wall Type: Solid Wall / Dry Wall
 Installation: Recessed
 Shape: Rectangular

Dimension
 230x600x125mm

DIMENSIONAL DRAWINGS

M-WN1010 Series

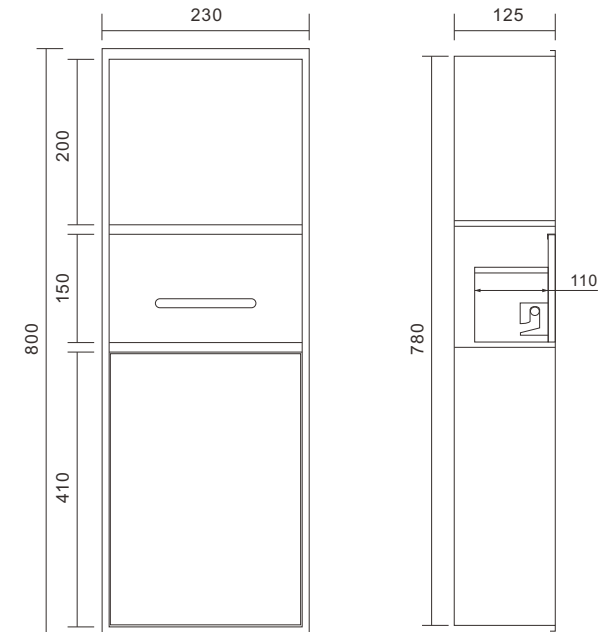

The layered design avoids a sense of monotony.

- The design realizes the unity of practicality and aesthetics.
- Stainless steel has excellent toughness.
- Waterproof property greatly prolongs its service life.

Material: Stainless Steel 304
 Wall Type: Solid Wall / Dry Wall
 Installation: Recessed
 Shape: Rectangular

Dimension
 280x700x135mm

DIMENSIONAL DRAWINGS

M-WN1011 Series

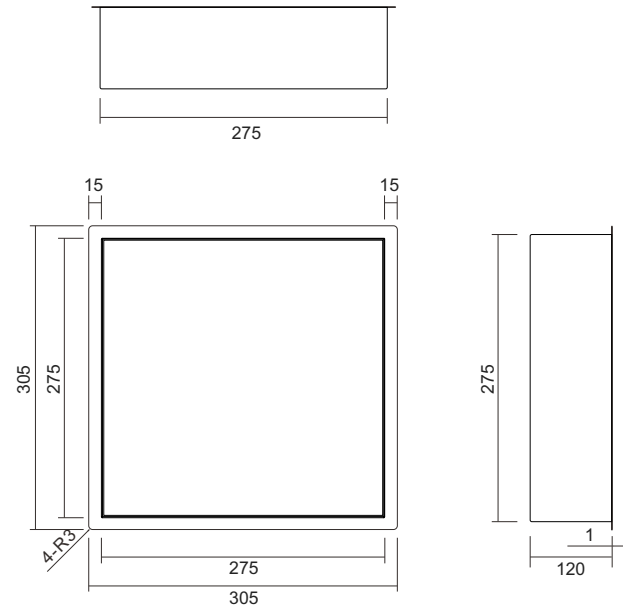

Clean and incisive straight lines create modernity.

- This material is easy to clean and maintain.
- The layered design improves the uniformity of the appearance.
- The niche fits all bathroom styles.

Material: Stainless Steel 304
 Wall Type: Solid Wall / Dry Wall
 Installation: Recessed
 Shape: Rectangular

Dimension
 230x800x125mm

DIMENSIONAL DRAWINGS

M-WN1000-1 Series

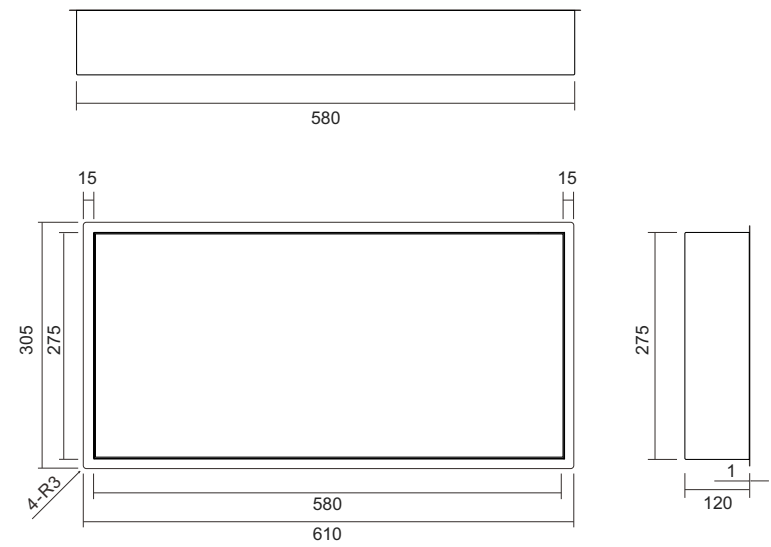

The flat design shows excellent expansion performance.

- By using the premium material of Stainless Steel 304.
- A breeze to clean and maintain without any pathogens.
- Nano-technology to avoid fingerprint on the wall niche.

Material: Stainless Steel 304
 Wall Type: Solid Wall / Dry Wall
 Installation: Recessed
 Shape: Square

Dimension
 305x305x120mm

DIMENSIONAL DRAWINGS

M-WN1001-1 Series

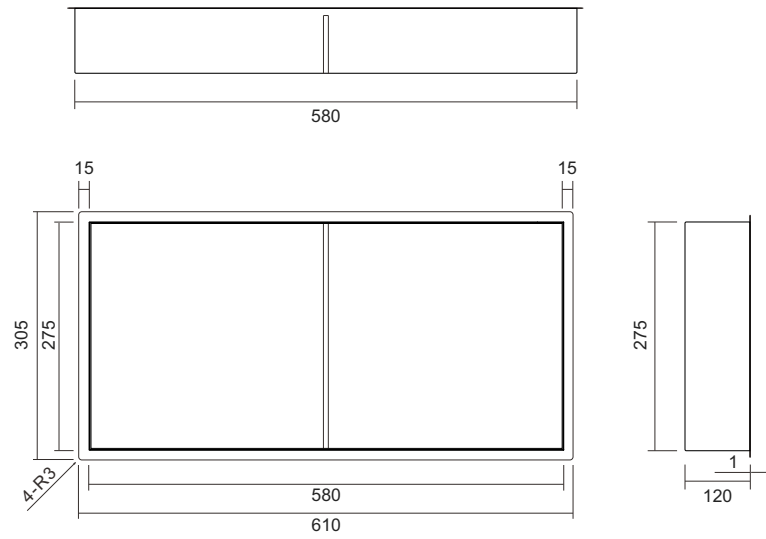

Stainless steel wall niche is a highly durable item.

- With high impact resistance and strength.
- Increasing the aesthetics of wall niche.
- Excellent toughness to ensure high quality.

Material: Stainless Steel 304
 Wall Type: Solid Wall / Dry Wall
 Installation: Recessed
 Shape: Rectangular

Dimension
 610x305x120mm

DIMENSIONAL DRAWINGS

M-WN1002-1 Series

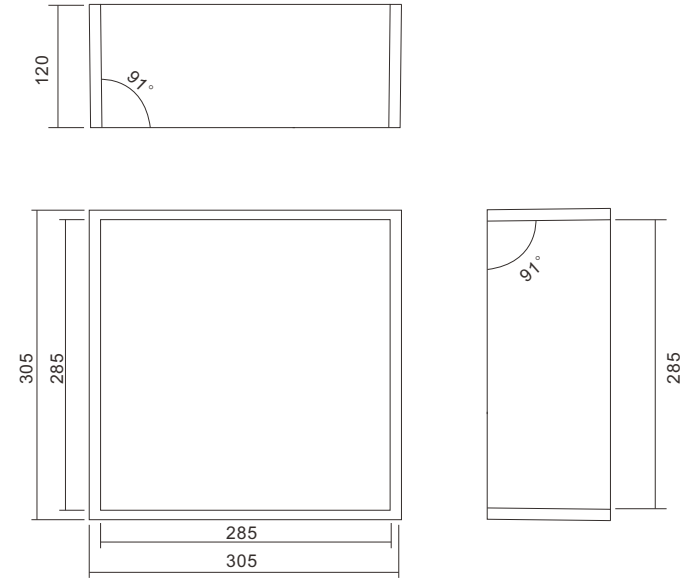

Wall niche with PVD coating has an excellent ductility.

- It has a good uniformity in coating.
- Getting a better contact-resistance.
- And also wear-resistance and corrosion-resistance.

Material: Stainless Steel 304
 Wall Type: Solid Wall / Dry Wall
 Installation: Recessed
 Shape: Rectangular

Dimension
 610x305x120mm

DIMENSIONAL DRAWINGS

M-WN2000 Series

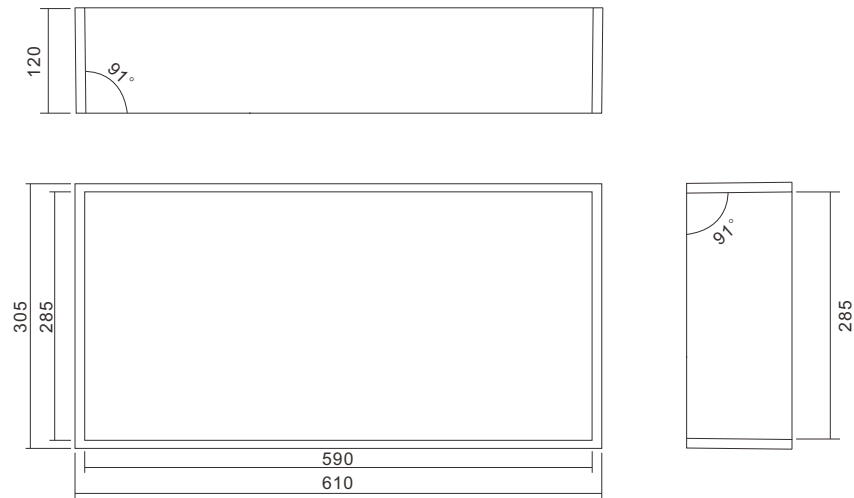

The uniform design makes the new trend of home decoration.

- Made of superior material of Stainless Steel 304.
- High hardness of stainless steels prolongs the service life.
- A certain metallic elements inhibits corrosion and enhances strength.

Material: Stainless Steel 304
 Wall Type: Solid Wall / Dry Wall
 Installation: Recessed
 Shape: Square

Dimension
 305x305x120mm

DIMENSIONAL DRAWINGS

M-WN2001 Series

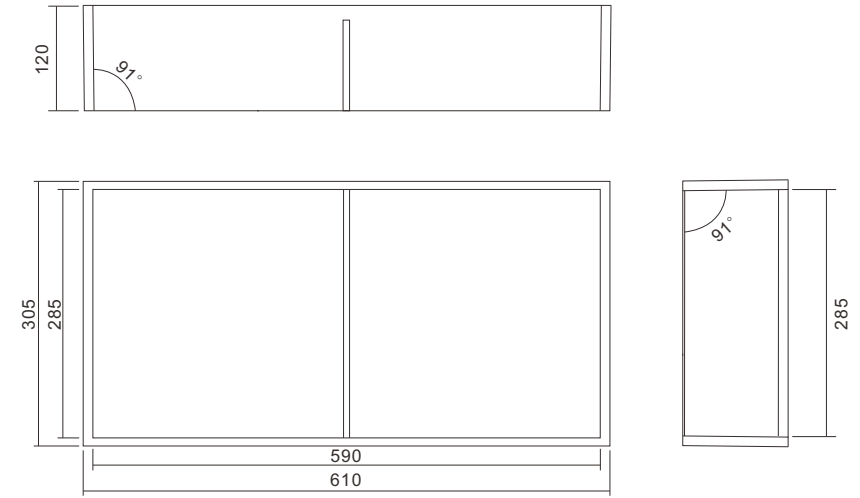

Wall niche with nano coating is an advanced technology.

- With high scientific and technological contents is harmless.
- Release a substance to degrade indoor formaldehyde.
- Improve the corrosion protection and produce sterilization.

Material: Stainless Steel 304
 Wall Type: Solid Wall / Dry Wall
 Installation: Recessed
 Shape: Rectangular

Dimension
 610x305x120mm

DIMENSIONAL DRAWINGS

M-WN2002 Series

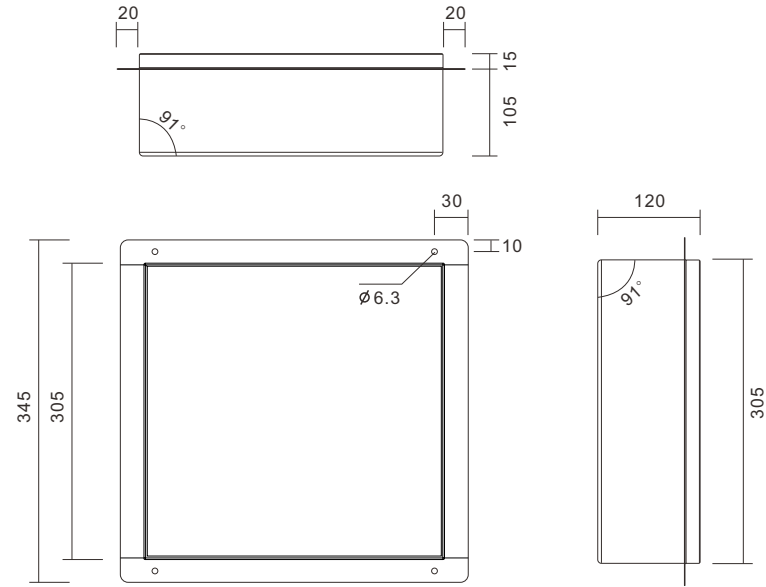

The design of wall niche regards as a small storage artifact.

- Create a seamless bond that is impenetrable by liquids.
- Protect the surface from dirt, corrosion and decay.
- Create a non-intrusive alcove for storage.

Material: Stainless Steel 304
 Wall Type: Solid Wall / Dry Wall
 Installation: Recessed
 Shape: Rectangular

Dimension
 610x305x120mm

DIMENSIONAL DRAWINGS

M-WN3000 Series

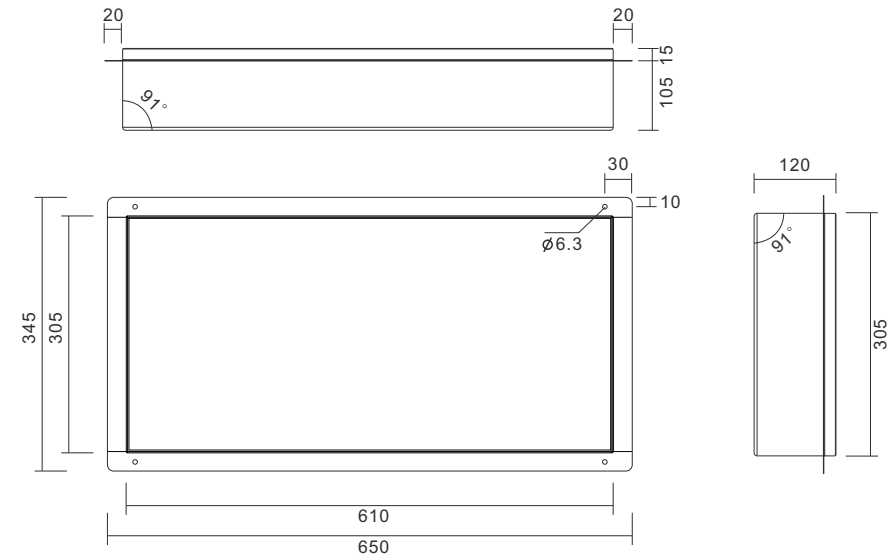

The invisible design enhance the beauty of bathroom.

- Provide place to conveniently store bathroom items.
- Instantly provide space-saving opportunities.
- Create a non-intrusive alcove for storage.

Material: Stainless Steel 304
 Wall Type: Solid Wall / Dry Wall
 Installation: Recessed
 Shape: Square

Dimension
 305x305x120mm

DIMENSIONAL DRAWINGS

M-WN3001 Series

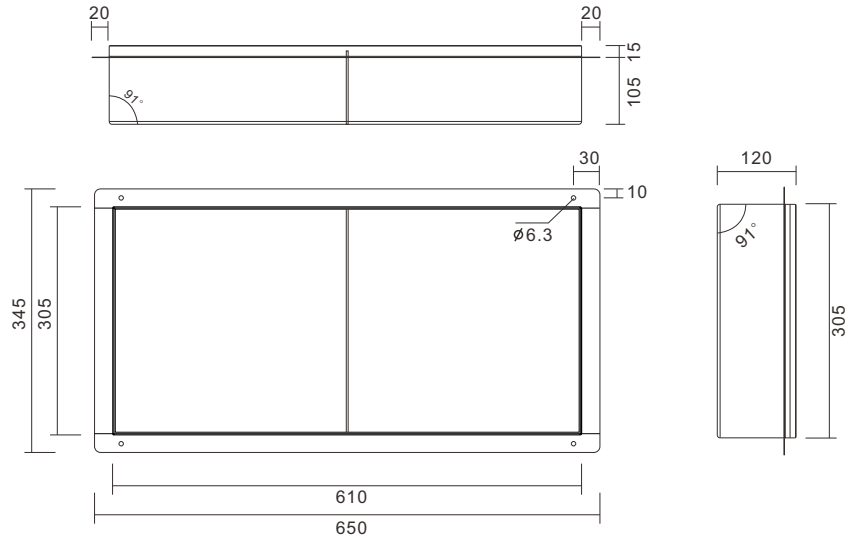

Wall niche fits with modern and contemporary bathroom designs.

- It is easy to clean and maintenance without any bacteria.
- Getting a better contact-resistance.
- High hardness of stainless steels prolongs the service life.

Material: Stainless Steel 304
 Wall Type: Solid Wall / Dry Wall
 Installation: Recessed
 Shape: Rectangular

Dimension
 610x305x120mm

DIMENSIONAL DRAWINGS

M-WN3002 Series

An aesthetics design gives enough imagination.

- The rectangular niche shows rich functionality.
- An exquisite surface exudes brightness and liveliness.
- The coating of wall niche is anti-fingerprint and waterproof.

Material: Stainless Steel 304
 Wall Type: Solid Wall / Dry Wall
 Installation: Recessed
 Shape: Rectangular

Dimension
 610x305x120mm
